December 8, 2020

Dear CNS Member,

We are extremely sorry that a congratulatory email on passing the ABNS Oral Boards was erroneously distributed to all CNS Members. We realize that this has created immense confusion and was incredibly insensitive.

Due to a technical error when attempting to select the recipient list, the entire CNS member list was inadvertently selected. An apology and clarification was sent by the CNS fifty minutes subsequent to the erroneous email.

These messages were unrelated to the information provided by the ABNS. The CNS sincerely apologizes for the confusion this has caused. We will do everything we can to make this right to you and to all our members.

Sincerely,

Brian Hoh, MD, MBA
President, Congress of Neurological Surgeons
